1. Major changes are expected to occur in the Central Committee of the Communist Party of Austria, according to Richard Schueller, chief editor of the Communist Party newspaper Neue Zeit in Linz-Urfahr and member of the Central Committee of the Communist Party in Austria. He said: "New young functionaries will be appointed to continue the fight more vigorously than ever before. All forces of the party will be concentrated in the forthcoming months."
2. There is a general tendency in the Communist Party of Austria to remove veteran Communists, partially those who joined the Party prior to 1934 and hold views which are incompatible with the present party line.
